

PIMI SHORT-TERM MISSION PROJECT COVENANT (Page Two)

12. If I should lose my plane ticket, it will be my responsibility to repurchase the ticket, not the responsibility of PIMI.
13. **I agree that I will not carry any contraband or prohibited items on this project. I understand that I can be detained for investigation, criminally and/or civilly prosecuted if it is determined I have any prohibited items. PIMI and its associates will not be held liable if a team member carries a prohibited item on the project. (Please check your suitcases thoroughly for any items that may be prohibited, including but not limited to firearms, ammunition, or chemicals. Many foreign countries, including Romania, have stricter guidelines than the U.S. for items that are prohibited. If in doubt, do not carry it!)**
14. I will not be exclusive in my relationships. If my sweetheart or spouse is on the team, I will make every effort to interact with all members of the team. If I am attracted to a teammate or translator, I will not attempt to pursue an exclusive relationship until after we return home. I will be VERY careful in my relationships with the Romanians. I will not make any promises I cannot keep and I will refrain from any activity that would be construed as romantic toward a national. I understand certain activities that seem acceptable in our own culture may be inappropriate in others.
15. **I WILL ABSTAIN FROM THE COMSUMPTION OF ALCOHOLIC BEVERAGES OR THE USE OF TOBACCO WHILE ON THE PROJECT. I WILL REFRAIN FROM USING ANY LANGUAGE THAT IS NOT PLEASING TO OUR LORD.**
16. The PIMI missionaries make every effort to work out all details before and during each mission project. However, I realize that details and schedules may deviate from the original plans throughout the project. I will be patient and wait for instructions to be presented collectively to the team, holding any questions until all information has been presented. I must be flexible when working with the Romanians, as well as with each team member.
17. I will remember that PIMI missionaries are in full-time service and conduct mission projects throughout the year, and they are present to help and guide me. I realize they are familiar with many of the Romanian people and customs, and I will make every effort to comply with any suggestions or recommendations they may have for me.

I have read and agree to abide by these policies and guidelines as a member of this mission project.
